

Aschenputtel

Once upon a time there was a girl
Her name was Aschenputtel
She had bright blaue Augen and one curl!

Beautiful though she was – sie hat
Zwei böse Schwestern and an evil Step Mutter
Who had divorced her Dad only Dienstag last

Sie wohnt in a flat downtown
It was horrible, kalt and klein
But the landlord was SO nice and would never frown

Nächste Woche her sisters got a letter
It was an invite to a disco on Saturday...
But she should have known besser

Her Schwestern told her she couldn't go
And dashed off to Primark to get their Kleider
But then her stepmum said something though

"If you will wash das Auto, clean the cat,
Feed the Fisch and de-lice den Hund
AND if you can find a dress that doesn't make you look too fat!"

Danke, Danke, Danke schön so much MUM!
She finished the list after while
And went to get her own Kleid calmly, chewing her bubble gum.

She chose a Kleid in a beautiful cream and pink
Then she found her ideal shoe as well!
And with it she bought a coat of mink,

On the way the home she was very glücklich
But... her bubble grew and grew until it popped all over her dress
And now the handsome landlord would never give her a kiss

Aschenputtel sat and cried her eyes out
But then appeared her Fee GottMutter!
She was magical beyond any doubt

"Do not cry dear child, your dress will be OK.
Fetch me a cabbage, some French fries,
And a pig - and don't delay!"

"I don't have any pigs will a Sparschwein do?"

"Very well I will do my best..."

Salagadoola mechicka boola bibbidi-bobbidi-boo

And the cabbage turned into a bright pink stretch limo
The fries were now a beautiful bunch of silver flowers
And the Sparschwein was her new chauffeur, you know!

Her Kleid was as good as new,
She had a bag of silk thread and a Frisur like Cheryl Cole
And the best bit was her 12inch platform heels with rose Tupfen shoes.

Into her limo she went to the disco,
She arrived as the most beautiful girl there
She stunned the Hauswirt and his funky afro

With the Hauswirt she danced the night away,
Her Handy alarm went off at 3:30am
She then had to get Haus so went the shortway

In her haste she had left her bag
The Hauswirt found in this a vital Hinweis,
An Erhalt of a Kleid – "Whoever is the owner of this – ich sehr mag!"

He searched the whole flat block until the last floor
Where her found Aschenputtel and her zwei evil Schwestern
Drizella and Anastasia fought for the label until it tore!

The Hauswirt despaired what would he do now?
But then appeared Aschenputtel with a mop in hand
"May I see that, please?" "Nein as your Mutter this I will not allow!"

"Warum nicht? Jeder muss see this label"

"Aber...Aber...Aber"

"JEDER!" and slammed it on the table

"I bought this Kleid - warum fragst du?"
"My love, I was the one who danced with you at Gestern's disco
So – will you marry" "I WILL marry you!"

They were married nachsten Tag
And lived glücklich und zufrieden
And never again did she wear a rag!
